CERTIFICATE OF MAILING  
I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Assistant Commissioner for Patents, Washington, D.C. 20231, on June 11, 2002.  
  
Attorney - Julie G. Cope Reg. No. 48,624

Sir:

RENEWED REQUEST UNDER 37 CFR §1.42

This paper is being filed in response to the Decision mailed on February 15, 2002. Applicant hereby requests the grant of a two month extension of time in which to respond to the Decision mailed on February 15, 2002. Our check in the amount of \$ 200.00 accompanies this request.

On April 12, 2001, applicants filed a transmittal letter for entry into the national stage in the United States under 35 USC §371 which was accompanied by an unsigned declaration.

On May 14, 2001, a Notification of Missing Requirements and Notification of a Defective Oath or Declaration was mailed indicating that an oath or declaration in compliance with 37 CFR 1.497 was required. The declaration submitted on February 18, 2000 was not in compliance with 37 CFR 1.497 (a) because it was not signed.

On July 16, 2001, applicants filed a declaration signed by co-inventor Dmitry Borisenko, a document in Russian titled "Declaration by an Administrator or Executor Attached to Patent Application" and accompanying English translation, a "Small Entity Claim and Request for Refund" and payment of \$65.00 for surcharge fees.

On September 13, 2001, a decision dismissing applicants request under 37 CFR 1.42 was mailed because the declaration signed by the legal administrator did not comply with 37 CFR 1.497 (a)(4). Specifically, the declaration stated "that I verily believe the said Nikolay Borsenkio

Docket No. GOW 0082 PA  
Serial No. 09/807,485

to be the **second** inventor of the improvement in HIGH CAPACITANCE STORAGE DEVICE described and claimed in the foregoing specification.” (Emphasis added)

On October 23, 2001, applicants mailed a Request for Reconsideration. Upon checking the status of the application with the Patent Cooperation Treaty help desk, it was discovered that the Request for Reconsideration was not received. Therefore a copy of the originally mailed Request for Reconsideration was faxed on January 9, 2002.

On February 15, 2002, an unfavorable decision was mailed stating that the Request for Reconsideration was not persuasive. The decision stated that a proper response to the decision is an oath or declaration in compliance with 37 CFR .1497 (a) and (b). The record in the Decision mailed on February 15, 2002 indicates that a Request for Reconsideration was filed on December 31, 2002 and that on January 9, 2002 applicants resubmitted the Request for Reconsideration via facsimile.

Applicant submits a new Delcaration and a “Declaration To Accompany Application For Patent, By An Administrator Or Executor” which are both in compliance with 37 CFR 1.497 (a) and (b). The Declaration by an Administrator or Executor Attached to Patent Application correctly states “that I verily believe the said Nikolay Nikolaevich Borisenko to be the **original, first, and joint inventor** of the improvement in HIGH CAPACITANCE STORAGE DEVICE described and claimed in the foregoing specification.” (Emphasis added)

Docket No. GOW 0082 PA  
Serial No. 09/807,485

CONCLUSION

Applicants respectfully submit that, in view of the above remarks, the documents are in compliance with 37 CFR §1.47 (a) and (b).

Respectfully submitted,

KILLWORTH, GOTTMAN, HAGAN  
& SCHAEFF, L.L.P.
